

Because Healthy Aging
Requires Healthy Arteries
and a Healthy Heart

VasculoSirt™

"A man is as old as his blood vessels." ~ sir William Osler

Vascular aging is characterized by progressive arterial stiffness, loss of arterial elasticity and arterial compliance from a myriad of structural and functional changes in the endothelium and vascular media, and adventitia, resulting in:

- Reduced endothelial capacity
- Increased extracellular matrix
- Altered vascular smooth muscle (VSMC)
- Altered adventitia

Following 3 years of research, Dr. Mark Houston, Associate Clinical Professor of Medicine at Vanderbilt Medical School and Director of the Hypertension Institute of Vascular Biology in Nashville, in conjunction with Biotics Research Corporation, have developed a revolutionary nutritional supplement designed to:

- Slow vascular aging
- Promote vascular and heart health
- Provide healthy support for blood pressure, cholesterol, insulin resistance and glucose within normal ranges.
- Increase nitric oxide
- Protect DNA from damage
- Increase the activity of SIRT 1, which slows aging in experimental animal studies and deacetylates enzymes that simulate caloric restriction and longevity in animal studies

Recommendation: Five (5) capsules two (2) times each day as a dietary supplement or as otherwise directed by your healthcare professional.

VasculoSirt™ is available in bottles of 300 capsules providing a full 30 day supply.
NDC # 55146-02925 • Product # 2925

Supplement Facts			Servings Per Container: 60		
Serving Size: 5 Capsules					
	Amount Per Serving	% Daily Value		Amount Per Serving	% Daily Value
Vitamin A (from mixed carotenoids)	3,750 IU	75%	Coenzyme Q10	100 mg	†
Vitamin C (as ascorbic acid)	250 mg	417%	Trans-Resveratrol (from Polygonum cuspidatum) (radix and rhizoma)	50 mg	†
Vitamin D3 (as cholecalciferol)	4,000 IU	1,000%	R-Alpha Lipoic Acid (from stabilized potassium salt)	50 mg	†
Vitamin K (as MenaQ7™* menaquinone-7 (extract of bacillus subtilis natto) and as phytonadione)	50 mcg	63%	Green tea extract (50% EGCG) (leaf)	500 mg	†
Thiamin (B1) (as thiamin mononitrate)	5 mg	333%	Acetyl-L-Carnitine hydrochloride	500 mg	†
Riboflavin (B2)	5 mg	294%	Olive leaf extract	50 mg	†
Niacin (as niacinamide)	10 mg	50%	Quercetin	50 mg	†
Vitamin B6	50 mg	2,500%	Ginkgo biloba extract (leaf)	5 mg	†
Folic Acid	300 mcg	75%	Phytolens™** (Lens esculenta extract)	5 mg	†
Vitamin B12 (as resin bound cobalamin)	5 mcg	83%	Lutein (from marigold flower)	5 mg	†
Biotin	1 mg	333%	Lycopene (from tomato)	1.5 mg	†
Pantothenic Acid (as calcium pantothenate)	12.5 mg	125%			
Magnesium (as magnesium glycinate**)	125 mg	31%			

† Daily Value not established

Other ingredients: Capsule shell (gelatin, water and glycerin), cellulose, and magnesium stearate (vegetable source).

*MenaQ7™ is the trademark of NattoPharma, Norway. Patents pending

**Albion® brand Magnesium Glycinate. Albion Laboratories, Inc. of Clearfield, Utah

***U.S. Patent No. 5,762,936 Biotics Research Corporation

Caution: Those taking Coumadin or anticoagulants should avoid supplements with vitamin K unless specifically recommended and monitored by their physician. Not recommended for pregnant or lactating women.
